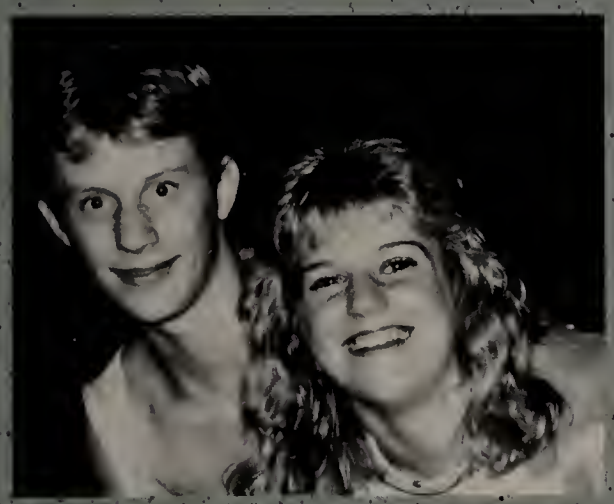
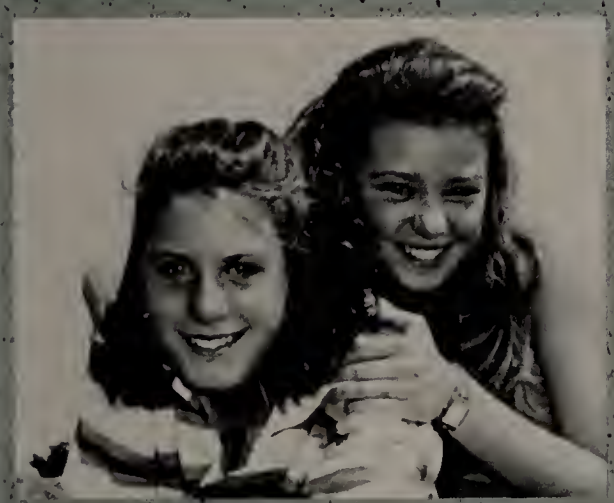
"Splash" OF COLOR

The King and Queen of Wachusett? Not really — it's Leelen Myers and Christopher Grigattis as they appeared in their roles at the Madrigal Dinner sponsored by the Music Department.





A Splash of Color

A Splash of the Past . . .

The class of 1990 is here. We've splashed our way through 1986, 1987, 1988, 1989, and now we are in the 90's.

We started our high school years in 1986 after celebrating the 100th year anniversary of the Statue of Liberty. It was in this year that we viewed Halley's Comet. Hooray for the Patriots — they made it to the Super Bowl! Boo — they lost to Chicago.

Splash! We're in the year 1987. The Stock Market crashes and the Dow Jones average drops 508 points on Black Tuesday. Yet, there's good news, Reagan and Gorbachev sign a treaty to dismantle medium range missiles. And of course, there was the Cosby show to watch every Thursday night. Then there's good old Spuds MacKenzie. Yeah! Red M & M's! About time — it only took 11 years to get them back!

Splash — 1988, here we go! Reagan and Gorbachev hold a Moscow Summit and this time discussed more than medium range missiles. A major earthquake devastates Soviet Armenia, and we, at Wachusett, helped the victims by having a fundraiser. 1988 was the year of the Winter Olympics held in Calgary, Canada, and the Summer Olympics held in Seoul, Korea.

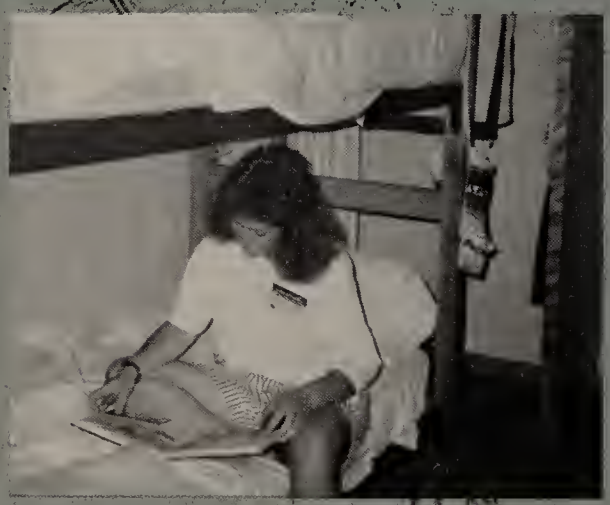
Splash — 1989 was here! A tanker runs aground off the coast of Alaska causing the largest U.S. oil spill — 11 million gallons of oil killed thousands of birds, fish, and wildlife. George Bush becomes President, and Dan Quayle, Vice-President. Ronald Reagan steps down as President after 8 years. Massachusetts' own Michael Dukakis was the Democratic presidential candidate, and after his defeat, we found that our state budget had suffered a loss, also. Hundreds of thousands of dollars in state aid to education, the arts, etc . . . had dissappeared!

Chinese students demonstrated for Democracy and reform. Tragedy struck closer to home when a Shrewsbury woman was killed on the PanAm flight that exploded over Scotland after a bomb had been planted by terrorists. An earthquake hit California during the World Series killing many people and destroying large amounts of San Francisco and the surrounding area. After decades, the Berlin Wall was knocked down reuniting East and West Germany.

1989 was the year of **Batman, Twins,** and **Beaches** on the movie lists. **Roseanne** on television, **Sweet Child of Mine** and **The Living Years** on music lists.

Splash! It's 1990! We're living in the present, but reflecting on the past, and hoping for the future. This has been the history of the world during our time in high school; the rest of the book is the history of our class through our four years at Wachusett. It's time to make more "Hallmark" moments!

So, jump into "Mountaineer" 1990 with us and make a **"SPLASH!"**



"Splash" of Color

In The Beginning . . .

When you receive your yearbook, it will be almost fourteen months old! That's how long this book has been planned and produced. The pictures on this page were taken over a year ago when Seniors-To-Be, Mike Harvey, Lisa Hurtubise, and Shelly Fortin went to yearbook camp at Bryant College in Rhode Island. They were accompanied by Mrs. Laverdiere and Juniors, Keri Donaldson and Kate Guiney. For three days, they attended classes in photography, layout, design, copy writing, theme, etc. . . . Many of the ideas in this book were the result of brainstorming in Rhode Island! Over the course of the year, many of you have helped in some way with the yearbook — You typed, did artwork (in a hurry), wrote stories, or put entire sections together alone!

This book is the history of your class — it's a reference for the future; and when we're older, it'll be a voyage back in time. A "splash" from the past! We tried to include events and happenings from years other than Senior Year because high school is a four-year adventure; and all of the "splashes" build up into a very large "ocean" of memories!

Splash OF COLOR

A "Splash of Color?" The Class of 1990! No way, we're more than a splash; we're an oilspill of color! Since we've been Freshmen, all we've heard is how unique we are. Sometimes this is said with admiration; other times, well . . . Let's leave that one alone! Our class has had its share of colorful characters — not all of them are superlatives; but all of them share the common trait that they will not be forgotten! Throughout these pages, you'll see many splashes. Some are "splashes of color", others are not! What all these splashes add up to, however, is a very big rain (no, make that thunder!) storm!

Our Class Leaders and Advisors

Jen Paradis, our President at play!

Advisors of the Class of 1990: Dr. Pandiscio, Mrs. Komenda, Mr. Barys, Mrs. Wilcox, Mr. Ethier. (Missing when picture was taken: Mrs. Barys, Mrs. LoConto)

The Officers of the Class of 1990: Jen Paradis, President: Becky Murray, Secretary; Lori Cedarbaum, Treasurer; and Mike Sidoti, Vice President

Mike, Lori, Jen, and Becky in a serious mood. Perhaps they're planning the end of the year and our high school days!

Candid Moments

Mrs. Barys, another of our class advisors.

Dr. P., class administrator and advisor to 1990!

Our advisors in an uplifting moment; or are they celebrating the end of four years with the class of 1990!

A Splash of Color

FACULTY • FACULTY • FAC •

Not just a "splash of color", but a splash of math, English, biology, history, music, phys. ed, and many others. This is what our faculty provides us with at Wachusett. We want you to know these people better. We want you to know their favorite "splash of color!" What they read in their spare time! What school activities they're involved in! What was their most important event in the last decade! Their answers will surprise you. What do all these splashes add up to — a very large pool of knowledge and expertise that makes the Wachusett faculty special!

June, 1990

Dear Members of the Class of 1990:

Every year since I have been at Wachusett the yearbook staff has asked me to write a short letter for their book. In each of those years I have felt privileged to be a part of that particular class's history and written record. This is even more true in the case of the Class of 1990 because your graduation marks the end of my first twenty years back at Wachusett. In at least a symbolic way, your graduation parallels my career and these two milestones will forever be entwined in my mind.

The Class of 1990 has been a very interesting one that has covered four years of high school during some very interesting times, both on the domestic and international scenes. Your class is of two decades, three-and-a-half years that you spent in high school were planted in the 1980's but your graduation date is the first year of the final decade of this century! A lot has happened in your lifetimes and, if technological advances continue at the pace of the past eighteen years, there will be even more dramatic changes before we hit the twenty-first century; a momentous happening only nine-and-a-half years away.

Most of you will look at this yearbook in great detail on the day it is given you. Many of you will put it on a shelf to gather dust and preserve memories after that first reading. Some day in the future, however, you will pull it down off the shelf and it will help you relive the memories of these past four years--of the events, the problems and challenges, and mostly, of the people with whom you shared these years. My fervent hope for you is that those memories will evoke happiness and a sense of accomplishment both for those years and for those that intervene. I pray that we at Wachusett have given you a solid foundation for whatever you dare to dream and that you will do whatever you need to turn those dreams into reality!

Look to this day and every day! All my best to you in the years that lie ahead.

Keep in touch.....

A Look Back

Already it is the end of another decade! The 1990 Yearbook Staff asked the Wachusett Faculty to look back on the 1980's and state in their opinion, the most important event.

The most important event, by a landslide number of responses, was the breaking down of the Berlin Wall.

Here's a sampling of some of the other historical responses:

"Freeing the African National Conference leaders in South Africa" — Ms. Day

"Communist retreat in Eastern Europe" — Mr. Caouette

"There can be no most important event — all events are interconnected and equal in 'value' " — Mr. Branche

"The end of the color war, because now we can convert a larger portion of U.S. resources to improving our citizens' lives and environment." — Ms. Elliff

"The development of high protein maize" — Mr. Mammone

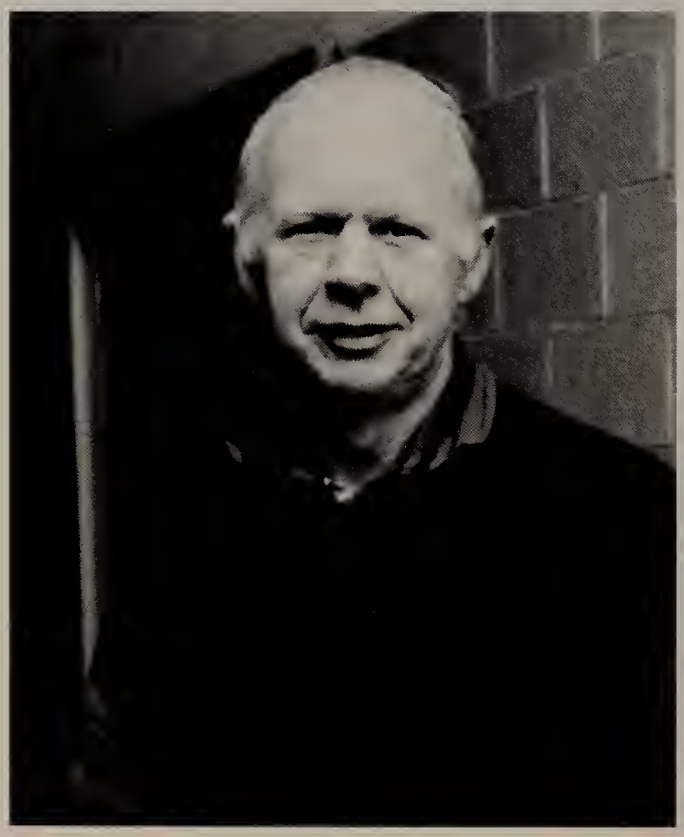
"The fact that we still exist is perhaps our greatest achievement" — Ms. McTigue

"Our bombing of Libya" — Ms. Stubbe

"My wedding!! A very biased and egocentric opinion I suppose — but very important to me!!!!" — Ms. Finkelstein

"The birth of Gia Marie Gillberg" — Mr. Gillberg

"Returning to Wachusett" — Ms. Wojcicki



Mr. Snelson's most important event of the 1980's: "The disintegration of the communist block countries in Europe. I got married the day the Berlin Wall went up (August 13, 1961), so it was extremely significant when it was dismantled."

Coming Back Again

"I love this school, loved it as a student, love it now," says math teacher Mr. Larson. He is one of several teachers who were at one time Wachusett students.

When Wachusett Regional High School was formed forty-five years ago, it combined students from Holden, Princeton, Paxton, Rutland, and Sterling. Mr. Lane and Mr. Miles, now respectively principal and head of the English department, were both juniors. They became two of the eight hundred fifty new students at Wachusett.

That year, 1945, courses were limited, as were athletics and extracurricular activities. The butch was "in", along with pegged pants. There was no smoking area, but lots of kids smoked. The Wachusett dress-code didn't allow skirts above the knees. The Glee-Club, now non-existent, was popular.

Mr. Larson attended Wachusett between 1959 and 1963. One of the differences he remembers is the greater stress on academic studies of the past. Also, he recalls dances every Friday night, and proms held within the high school.

Mr. Barys, math teacher, was graduating two years later when the smoking area, recently closed, was first designated. He recalls a certain VW Bug being smuggled into the interior of the school. Coming back to Wachusett was difficult. "I didn't go into the break room for two years," he says. "I couldn't call the teachers by their first names."

Mrs. Wilcox, art teacher, graduated from Wachusett in the chaotic year of 1969, in the middle of the Vietnam War. From her high school years she remembers her proms — huge events where the entire school would gather beforehand to decorate. About returning to teach, she says, "The first week here I was nervous, but they accepted me."

Times were still changing fast. Students were more committed to social issues than personal success. By the early 1970's, the dress code was abolished, and there was a juke box in the cafeteria.

Ms. Rubenstein, an English teacher, graduated in 1972. Her memories include turning the prom into a farcical affair, a mother-daughter lunch in the cafeteria, and the whole senior class marching down Main Street. When she came back to teach, it was easy. "I knew my way around and felt comfortable," she says.

Other teachers who attended Wachusett and returned to teach are Mrs. Branche, Mr. Anderson, Miss Narcissi, Mrs. Wreschinsky, Mrs. Mayo, and Miss Lane.

WHAT DO WE THINK ABOUT . . .

Homework on weekends . . .?

Can you believe that the students polled on this question were actually split evenly, half were for homework on weekends and half were opposed.

Peter Clifford, member of the Class of '90, says, "You can get a lot out of homework on weekends. At least that's what someone told me!"

Thirty percent of the students admit that they don't even attempt to do it, but Ami Cutler, non-conformist intellectual, says "I love it!"

Jill Collins, also a senior this year, defiantly exclaims that she is opposed to having homework on the weekends, "School should not be a twelve hour day."

Ha, ha! We gotcha, Mr. Weiss!

Getting Tests On Monday . . .?

Eighty percent of the students were against getting tests from teachers on Mondays. "Why," you ask? One students response, "I don't think we should have them on Mondays because the review would be on Friday. You would have two days to forget!"

Stacy Johns, another senior, says, "They're better on Monday because you don't have to stay up all night studying."

Andy Santom replies that he doesn't study for them, "Tests don't bother me until after I take them."

"I'd prefer tests on Mondays if I have a lot to do on Thursday night," says Thy Ngo, member of the Class of '90.

Alex Foster candidly admits, "It sucks."

Favorite Subject

After the results were tallied, it was a tie for favorite subject between Physics, Analysis, and Human Biology.

Miss Cutler, who loves to be quoted squeals, "My favorite subject is Human Bio because Mr. Baer is the best man in the whole world."

Ray Sherbourne admits, "Physics is my favorite because it's the only class I'm doing good in."

Peter Clifford's favorite subject was, and this really is a quote, "Early dismissal!!"

How Many Tardies Have You Had So Far?

This question was given only to Seniors about the number of office tardies they've gotten during their last year here at Wachusett.

Andy Santom admitted that so far he has maxed every term. Forty percent have gotten seven tardies.

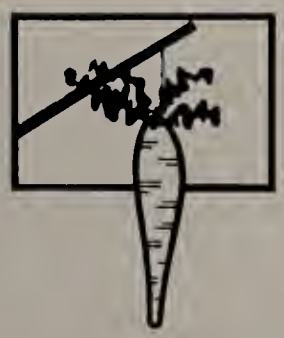
Jill Collins says that so far she has only been late once. My question: should seniors be penalized for being late?? (NO.)

What Period Do You Prefer Lunch?

Forty percent of the students polled prefered having their lunch fourth period. Most of those agreed that it was because it breaks up the day. Ray Sherbourne and Alex Foster said that they preferred fourth lunch because, "That's about the time I get hungry."

Twenty percent of the kids wished that their lunch was sixth period. Twenty percent also wanted their lunch fifth period. Thy Ngo, a true pragmatist, supports fifth period lunch, "because it's after fourth." Of course, we should have known.

Last of all, lunch authority Peter Clifford says that the period he prefers having lunch is, "All seven."



What About the Grading System . . .?

Seventy percent of the students did not like the grading system. One student said that he thought we should revert to a pass or fail system. Ray Sherbourne gives a more positive perspective: "I think its pretty fair, but it depends on the teacher. If you have a 78%, but you're good in class you could get an 80%."

Jill Collins says, "We should get more credit for daily assignments."

"The grading system is fair, but that class rank thing is really unfair," says Miss Ngo.

Mr. Clifford gives his approval, "It must be good because I get all A's." Another student says, "It's fine. I have no objections." We're glad you approve.

ABCDEF days . . .?

Fifty percent of the students were for the 6 day system initiated during our four years here at Wachusett. Forty percent were against and the rest were undecided.

Kristen Rocha says, "I guess it's okay, when I know what day it is anyway."

Mark "Mastro" says, "I like the system. There is nothing wrong with it. If people are dumb enough that it messes them up well . . ."

Another student hesitantly answers, "I think it sucks. Don't put in "sucks", okay put "sucks"." Obviously, this student is hiding their true feelings about ABC days.

Finally, a mellow student, Andy Santom, "It doesn't bother me at all. Every day is the same."

What is YOUR funniest class moment . . .?

Picture this . . . Mrs. Komenda's Algebra II class . . . Ray Sherbourne "She said that I looked nice. I said 'ah', and I pulled my pants down." Ray was unavailable for further comment, but it was confirmed that he was wearing shorts underneath.

Stacy Johns didn't have a funniest moment, "Nobody ever does anything funny while I'm around."

Does this sound familiar . . . Mrs. Stubbe's class . . . a student who will remain nameless, stands up in class and accidentally uses the word orgy instead of séance . . . Jill Collins, a friend of the student, laughed quite a bit when leaking this story to the Yearbook.

What about the time Kris Sleeth was imitating Ms. Maynard in front of the class? Mr. Beckwith came in behind him, and he didn't even know. "Kris was DROOLING," says Kristen Rocha.

What was your funniest class moment? "My teacher farted. It was Freshman year. It happened while he was reading to us. It wasn't just a little one either."

How about this one from Alex Foster, "Hearing Mr. ----- talk about what he was going to do in the virgin Islands. He said 'Get loaded!"

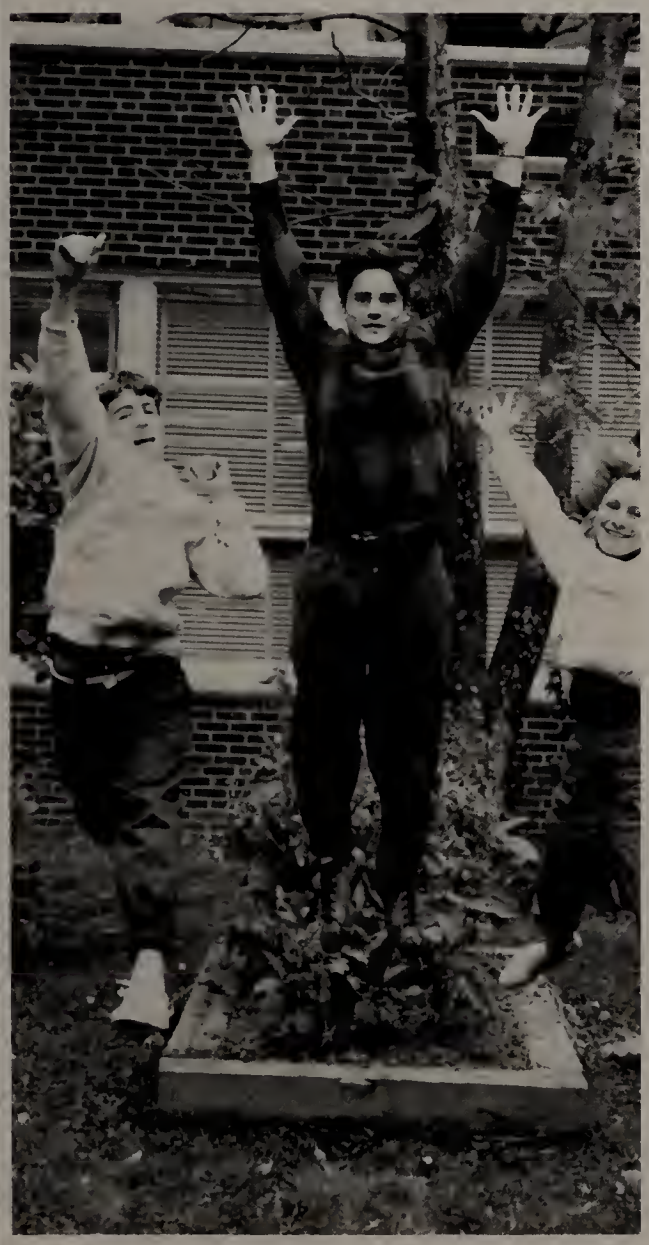
A Splash of Color



A splash of color can also mean a splash of variety, a change of pace, something out of the norm. The clubs and student organizations of Wachusett provide the student with a variety of activities to become involved in and become part of the bigger picture. Some organizations have restricted membership, based on grades or ability; others are open to anyone, such as the Spinners and the Monty Python Club. Some of the groups are not even confined to Wachusett; the Bike Touring club takes a Spring trip down South; and the Foreign Exchange students come from all over the globe! We even send students to France for three weeks. So, it it's a colorful life you want; get involved with the Wachusett clubs and organizations.

The French Exchange Program

The School Exchange Program is part of School Partnerships International which is sponsored by the National Association of Secondary School Principals. It is a community/school/student/teacher exchange. In February, Wachusett students travel to St. Nazaire, France and in April the French students join the Wachusett family for three weeks. It is an opportunity for students to experience another culture and improve their language skills. In 1989 our exchange was with Lycee Jeanne D'Arc in Bayeux. This year it is with the Lycee Aristide Braind in St. Nazaire.

1st row: B. Graham, A. Creamer, E. Warren, Mrs. Edelsberg. 2nd row: S. Tremblay, S. Lorge, V. Bowen, C. Olgilvie. 3rd row: E. Christensen, M. Falcone.

Model United Nations

Model U.N. is back again, stronger than ever, with a new advisor and many new faces. The members of the club look at how the United Nations works and research different countries' policies, while having a great time. At Clark University's Model U.N. conference, W.R.H.S. students are expected to carry away an unbelievable number of awards, as they drudge through "Forced Fun". But they enjoy taking No Doze and staying up until 1:00 A.M., rooming with Clark students, and hours of committee sessions, all for the sake of international peace.

The Foreign Exchange Students

Students: Mina Inoue — Japan, Emiko Seo — Japan, Alessandra DeMari — Brazil, Astrid Lopes — Brazil, Masaki Mitani — Japan. Middle: Elin Holthe — Norway.

The International Club

Officers and Leaders: L. Sullivan, R. Sullivan, T. Kendall, M. Circosta. Advisor: Ms. Kubica

The International Club is responsible for Getting to know the foreign exchange students. All of the foreign exchange students this year are members of the International Club as well. The other students make them feel welcome and at home in their new school. The Club takes annual trips to a haunted house and a fall foliage Wachusett Mountain hike. They have a Holiday celebration in December. This year also included a trip to New York City. The International Club earned money by selling advent calendars and foreign candy.

Academic Decathlon

1st row: J. Lilja, R. Gringas, S. Johns. 2nd row: G. Circosta, R. Creamer, J. Markiewicz.

The Academic Decathlon team competes in the Massachusett State Decathlon Preliminary Round in November, and the Massachusetts State Decathlon State Finals in March. If they are successful they will be #1 in the state and will compete in the National Academic Decathlon in April of this year in Des Moines, Iowa. They meet weekly, and have a basic study guide to work from, and each team member is given literally hundreds of pages of notes to study from. Advisor: Mr. Nicastro

Science Seminar

Advisor: Mr. Baer

The Science Seminar participates in science fairs and meets to conduct experiments. They also discuss many different scientific ideas with the people from the community.

SADD

Students Against Drunk Driving campaign by passing out MADD Red-ribbons during the holidays. Many of the members attended the Candle-light Vigil at Assumtion College Chapel. They also organize the annual SADD day each spring.

The entire group consists of approximately 25 people, meet regularly to discuss current human rights abuses and write letters and petitions addressing these concerns. In the past years we have relied heavily on letters and petitions, with a video here and there to rekindle interest and motivation. Our aim this year is to move in the direction of combined lectures and discussions concerning various issues, most importantly the death penalty. We intend to set up displays of artwork in the school in an effort to stimulate concern and awareness for our cause. This is not a "fun" club as such. The work occasionally borders on tediousness but the rewards are well worth their effort.

The FFA offers opportunities for the becoming productive citizens in our democracy.

Wachusett's Active Music Department

The Wachusett Wind Ensemble

Concert Band

The Music Education department is the essence of the performing arts at Wachusett. Under the direction of Mrs. Grace Reidy and Ms. Miriam Jensen, three choirs and three instrumental groups perform music ranging from classical to contemporary, from Madrigals to the "Messiah" to Jazz. In four annual concerts, the Wachusett Chorale and Concert Band perform a combination of well-known and obscure pieces. However, the smaller, but more advanced Wachusett Singers and Wind Ensemble also perform at these concerts, performing music that often daunts the finest professional groups. The Singers, Wachusett Jazz Band, and several small instrumental groups also perform for various clubs and organizations in and around Worcester County throughout the year. With the success of the groups in yearly competition, and the success of the individual performers in district, state, and New England competition, Wachusett proves itself to be a school of artistic, as well as academic achievement.

A "Splash" OF COLOR

A "splash of **jock** color" means green at Wachusett. The Mountaineers wear the green of their mountain. However, the splash of color continues through the black and white of the soccer ball, the brown of the football, the whites of the tennis team, and the silver skates of the hockey team. In the Fall sports; reds, oranges, and yellows dominate the landscape as the football, cross-country, and field hockey teams play their sport. Blue is the dominant color of Winter sports as the icey look of the snow and ice reflect the blue of the sky. And green prevails in Spring with the golf greens, baseball and softball fields. And as green rules in the Spring as a color; so the **Green** of Wachusett sports' teams dominate throughout the year!

Field Hockey

Absolutely amazing! The varsity field hockey team obtained another incredible record as the undefeated lady-Mountaineers were 17-0-0 under coach Denise Aldrich. With assistant coach's Donna Hagglund and Marie Lane, as well as team captains Cindy Henderson, Shayne Jolie and Cheryl Lane, the team had a solid group leading at the helm.

With goalie Cheryl Lane (.53 GA average) leading the defense and Cindy Henderson (17 goals) and Melissa Perry (17 goals) leading the offense, the girls were more impressive than ever.

The team captured District E Champion honors with the help of an overtime goal by Kate Lavigne, to beat Nashoba in the District Semi-Final game. The team made it to the State Semi-Finals before losing. With an overall record of 19-1-0 the lady-Mountaineers once again dazzled us with their talent.

It doesn't matter how you look, but whether you win or lose!

The varsity boys had a more than exceptional season as they compiled a 14-3-3 record under Coach Skip Knight. Led by captains Andy O'Connell, Steve Latino and Erik Shutte, the team rolled through the season out-scoring their opponents 47-14. Nathan Brouillet played a solid goalie position, forming the backbone of a strong defense that helped lead the team to another appearance in the Districts.

During the Homecoming Weekend, St. Johns tied the Mountaineers at one with 14 seconds left in the game. The game ultimately ended in a 1-1 tie. Wachusett continued to roll on and entered the Districts as a hot team. They defeated Tantasqua (1-0) and were later stopped by Marlboro (3-2) in the Semi-Finals.

Skip Magaw and Dick Joyce also helped a assistant coach's, as the hard work from every team member led the team to yet another highly successful season.

The girls varsity soccer team was lead by Mid-Wach League Coach of the Year, Jeff Larson, to another spectacular season (13-4-4). Jen Paradis (50 career points) and Jen Smith (77 career points) led the offensive strike while Shelly Fortin (voted outstanding defensive player) and MVP Chris Ladner (31 career shutouts) led an equally strong defense.

As the team once again qualified for District play, Wachusett received the Outstanding Sportsmanship Trophy for Girls Soccer for all Central Massachusetts after finishing second in last years voting.

Varsity Football

There was a new man leading the Mountaineers this year as Coach Mal Kelly took the reins. The season had it's up and downs. The biggest up being a two-point win to beat Holy Name due to a blocked field goal by Mark Pryce in the Thanksgiving game.

Assisting Coach Kelly were Assistant Coach's Larry Sullivan, Al Picaro, and Dick Westerburg.

Outstanding players were QB Jon Perry, WR Mike Cook, DT Scott Warren, TE Paul Germain, and LB Brian Kapitulik. Despite the hard playing of the entire team the team ended the year with a 2-8 record.

Girl's Cross-Country

The girls cross-country team followed Wachusett tradition as they produced another successful and winning season behind coach Lawrence Jaquith. Captains Lisa Jackson, Sarah Lorge, and Brenda Fales helped lead a young, rookie-filled team to a 6-3 record. Outstanding runners included the three captains along with Karen Gonyea, Sharon Benedict, Melinda Davis, Becky Crosby and Jill Collins.

Sarah Lorge captured MVP honors as the team consisted mostly of rookies after losing 12 members through graduation last year. Sarah Lorge is believed to have the fastest time this year.

Boy's Varsity Basketball

The boys varsity basketball team had another great season under Coach Duane Corriveau. With the three-point attacks of Brian O'Brien, and the solid playing of Jim Foley, Chad Tomforde, Mike Myrdal, Andy O'Connell, and Erik Ljungberg, the team compiled a 14-6 record. It was an action-packed season from day one. In the opening game Jim Foley scored at the buzzer to win game one. The team lost in Districts to St. Johns in an exciting overtime game. Thanks to the varsity boys for an exciting season.

Girl's Basketball

Once more we are able to brag about the success of one of our athletic teams. The girls b'ball team played their way to a 13-7 record during the season and adding themselves to the District qualifier list. The team rolled into the Districts winning four of their last five regular season games and eight of their last ten. The girls eventually lost to an always menacing Marlboro team. However, the team deserves to give themselves a pat on the back for a great season.

Varsity Ice Hockey . . .

The 1989-90 season was much better to the varsity team as they went 8-10-2 after going 0-20 last year. The team showed offensive strength behind high-scorer Matt Gull, Captain Andy Doe, and Assistant Captains Mike Cornacchioli and Rob Maher, as well as a greatly improved defense led by Andy Santom and goal-tender Brian Conrad. Coach David White and Assistant Coach Mal McPherson were at the helm for this years greatly improved team.

Gymnastics

The gymnastics team had a great year finishing 10-2. They entered the sectionals ranked 8th and placed 5th at the end, missing state competition by one place. In the league meet the team finished 2nd after Shrewsbury, whom they lost to both times during the regular season. Behind MVP's Aimee Perry, Lisa Lashbrook, and Lindsay Streeter. Boy's Indoor Track

Behind Coach Brian Wallace the boys indoor track team had another great season. They received a 7-1 record as a result of their hard work all season and once again Wachusett sent yet another team to the Districts. Ultimately the team finished second to a tough St. Johns team. Nonetheless the team had another great season.

Varsity Softball

The 1990 softball team is on the road to victory. Chris Ladner, the team captain, is stopping it all behind the plate and hitting incredibly. Trisha Shimkus, pitcher, is fanning batters left and right. The infield, Mary Gibney (1st), Jill Cross (2nd), Kara Steele (shortstop) and Erica Warren (3rd) make up an infield to be reckoned with. The outfielders are Kerri Parkinson (left), Christine Spedding (center) and Kerri Fitzpatrick (right). Additional players are Beth Comer, Karla Peurra, Kara Zytkiewicz and Keri Diggins. The team is going to miss Ladner and Speds who are graduating this year.

Varsity Baseball

As usual, the Wachusett Mountaineers are having a winning baseball season. With a record of 8 and 7, they hoped for a District bid. Leading the varsity team are captains Jim Foley, Mike Myrdal and Pat Coakley. Our pitching is held up by Matt Gull, Steve White and Mike Myrdal; backed up by some incredible infield and outfield performances. Shaun Boyle and Pat Coakley can be counted on for the double play; and Jim Foley can always be counted on behind the plate — both as a hitter and a catcher. The success of the team can be credited to the coaches: Mr. Charlie Lane and Mr. Tom McDavitt.

Girls Track

This year's Girls Track Team was coached by Richard "Skip" Knight, Bryna Brodie, and Mike Beamer. The team was led by one senior Aimee Perry along with 2 juniors, Stephanie Bunker and Melinda Davis. The Girls League record was 4 wins, 1 loss. Some of the top scorers for the girls team was Cindy Henderson in the javelin and 4x110 relay, Kristin Ratliff in the shot and discus, Sarah Lorge and Becky Lorge in the 2 mile and Sharon Benedict in the mile, Stephanie Bunker in the 100 yd. dash, 4x110 relay and triply jump. Denise Narcisi excelled in the long jump 4x110 relay and 300 hurdles, Shayne Jolie in the 440 and 4x440 relay, Traci Morrison in the 880 and last but not least Ali Seotte in the 220. The Girls Track Team was very competitive but they also had a great time competing!

Boys Track Team Runs To A Good Record

The Wachusett Boys Track team was coached by Mr. Brian Wallace. His assistants were Mike Thibert, who coached shot put and discus; and Mike Beamer who coached the distance runners. The team finished the season at 4-3. Senior captains were Bryan Locke and Scott Ahearn, and junior co-captain was Jay Gallant. Top scorers included Jay Gallant (triple jump, 200, 400), Bill Iuliano (shot put and discus) and Chris Woodis (javelin, pole vault and hurdles). Other competitors were Tom Champlin, Jason Rasku and Mike Woodis. School records were set in the discus by Bill Iuliano and Jay Gallant set the 400 meter mark.

Golf Team Swings to Victory!

The golf team enjoyed a successful season this Spring. Starting the season with 4 wins in a row over the likes of Algonquin (9-0), Holy Name (7-2), Shrewsbury (5-4) and Milford (7½-1½), the team lost two in a row to the always tough Leominster (3-6) and St. Johns' (1-8) teams. However, the team got back on its winning ways posting victories over teams like Marlboro (twice: 7-2, 5½-3½), St. Bernards (8½-½), and Algonquin again (8½-½). The team's home course is Holden Hills, and they played many matches on some of the finest courses in Central Massachusetts. Coaching the Mountaineer Golf Team was Mr. Ron Spakauskas, assisted by Mr. Dennis Lanciani.

Girls' Tennis Earns An Undefeated Season

This year's Mountaineer girls' tennis team was nothing short of sensational. Led by singles competitors, Kate Lavigne, Christy Scruton and Lesley Tonna; the team won all 15 of its regular season matches. This extended their regular season win streak to 23 straight. Last year's team was District and League champions and this year's group have matched the league title and are strong contenders for the District crown. Several team members received recognition. Kate Lavigne was named league MVP and was a district semi-finalist, along with Lesley Tonna. Christy Scruton was an all-star and district semi-finalist. The doubles team of Cara Sidman and Amy Brockleman were also league all-stars. This was such an awesome group that they won 11 of their 15 matches by the perfect score of 5-0!

Shining Class Spirit

Who says Seniors rule the school?! The class of '91 hasn't lost the spirit yet. It started at Homecoming with togas and a lot of legs as well as the Parthenon and their version of Zeus which won them 1st place in the float competition. Even when Homecoming ended they kept the ball rolling. They took on Winter Carnival with the greatest enthusiasm and determination. They dominated the Volleyball and biggest snowball competitions. They also won the tube race for the longest distance and Kerri Parkinson cleaned up in the Girl's Pie Eating Contest. Although the reigning champ, André Bisette could not attend. Stick Harmon won 2nd place just to prove their almost unbeatable power! And the brains of the Junior class, Mark Aho, Kristin Ratliff, and Brady Townsend, proved that under pressure the Juniors still can come out on top in the College Bowl.

The Juniors for the third year in a row hosted the very popular Lip Sync. Their own classmate Derek White took third place with his Elvis lives number. What a show!

They've been slaving away at this school for three years in a row and still haven't lost their spirit. Hittin' the books and still having a great time, their forward to their Senior year. There's no stopping them now!

Getting Comfortable

It's their second year here at Wachusett and the sophomores are already used to it's schedule and moods. They seem to be fitting in rather well! In fact, they're giving the other classmen a little competition. Having proved their value during Homecoming and Winter Carnival, these bunch of Sophs are giving everyone a run for their money. However the two year itch may be starting in this one class, they have probably already realized that they've got another two long years ahead of them. But so far this class has learned the technique of getting through classes with barely a scratch, and having loads of fun along the way! Feeling comfy and cozy at Wachusett, this sophomore class is definitely one to keep your eye on, 'cause they're going a long way!

Frightened Faces

Freshmen year is definitely one of the most remembered and exciting. There are new friends and new teachers as well as decisions about what clubs, sports, and activities to try.

You may have been the coolest kid in the junior high, but every Freshman is nervous about the first day, week; or maybe even month of school. Finding your classes, figuring out the ABCDEF day cycle, finding someone you know in your lunch, of even finding the cafeteria for that matter can cause the calmest and coolest Freshman to sweat a little.

Alright, so maybe you did survive the first day, but now you have the upperclassmen to deal with. All the stories from old brothers and sisters come back. Can't wait for Freshmen Buff Day can ya? This year's Freshmen, the class of 1993, entered Wachusett with tons of school spirit. There were more Freshmen than any upper classmen at the annual Homecoming Parade. They slaved for hours on their Hawaiian float. It turned out great with a volcano that even set on fire.

The freshmen didn't stop though. They once again displayed their spirit in the Winter Carnival week competitions. Henry Hawkins won the Weenie Dunk for his class. All the Freshmen pulled together to win the freestyle competition in the sledding races. You can't leave out second place tricycle or computer contest wins either. Freshmen year was great! Bring on Sophomore, Junior, and Senior year, no sweat!

CANDIDS • CANDIDS • CANDIDS •

A splash of just about everything in candids. Here's a group of really colorful photos that capture our years in high school. There's the Prom of '89, Homecomings, Halloween, dances, plays, "Hello Dolly" and plenty of pictures of those people that have made Wachusett a colorful place to be!

Feeding Time . . .

I place my tray on the table and glance around me. There is some kid next to me, chowing away on a half-eaten piece of pizza while his friend chugs a chocolate milk. I am appalled.. Over the years, I have become immune to almost all forms of punishment the cafeteria throws at me, but the sight of Freshmen eating is still enough to make me queezy. I turn to my best friend who is sitting, spork poised above a bed of noodles, as if they might run away before she can get to them. I look to my own lunch of a meatball grinder. The interior of its plastic baggy is covered with steam. My stomach rolls over again and I consider returning to the line to pick up a grape juice. I look back at the Freshman, licking his pizza-covered fingers. "Have a grinder," I mutter, shoving my tray in front of him. As I suspected, he attacks it with glee; barely noticing my blanched face.

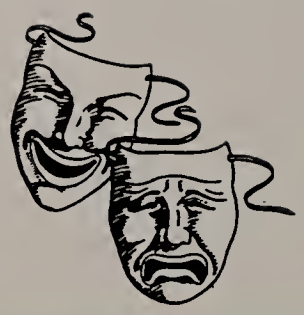
Sophomore Year . . .

One of the highlights of our Sophomore year was a class trip in May of 1988. The trip was a boat ride around Boston Harbor. But, it was not just a boat ride; but a dance, a meal, and a chance for a new *romance!*

Freshman Year . . .

Homecoming — 1986. As Freshmen; we chose as our theme, "Alice In Wonderland." We even had our own royalty — Kevin Hehir and Sarah Tremblay. Alice was Cindy Crowe. Assorted other members of the class portrayed cards, the Mad Hatter, the Cheshire Cat, and the Doormouse. This was the first event that we worked on together as a class. But the biggest highlight of Homecoming was the dance that night — no, it wasn't a romantic moment! It was the sixth game of the World Series and Boston almost beat the Mets. It was shown on the big screen T.V.

Hello,



Dolly!

Hello, Dolly! is the story of Mrs. Levi's efforts to marry Horace Vandergelder, The well known half-a-million, and send his money circulating among the people like rain water the way her late husband, Ephraim Levi, taught her. Along the way she also succeeds in matching up the young, beautiful Widow Molloy with Vandergelder's chief clerk, Cornelius Hackl; Cornelius' assistant Barnaby Tucker with Mrs. Molloy's assistant Minnie Fay; and the artist Ambrose Kemper with Vandergelder's weeping niece Ermendargde. Mrs. Levi tracks Vandergelder to his hay and feed store in Yonkers, then to Mrs. Molloy's hat shop in New York, out into the streets of the Fourteenth Street Parade, and finally to the most elegant and expensive restaurant, the Harmonia Gardens where Dolly is greeted by waiters, cooks, and patrons in one of the most famous songs in the history of American Musical comedy, Hello, Dolly!

Winter Carnival

THE MAJOR EVENTS OF 1989's WINTER CARNIVAL WERE ATTENDED BY MORE OF WACHUSETT'S STUDENTS THAN EVER BEFORE. AMONG SOME OF THE FAVORITES WERE THE SLIDING PARTY, LIP SYNC, AND DANCE. IN FACT, THE DANCE WAS SOLD OUT WITH OVER 360 STUDENTS AND ADULTS IN ATTENDANCE. THE QUEEN'S COURT INCLUDED MEGAN AUDETTE, SHELLY DUDA, KERRY COURTEMANCHE, AND MAGGIE GIOTTA WHILE AIMEE BARRETTE HAD THE HONOR OF BEING CROWNED QUEEN. THE JUNIORS WON THE COMPETITION WITH 760 POINTS FOLLOWED BY THE SENIORS WITH 732.5, FRESHMEN WITH 565, AND SOPHOMORES WITH 592.5 POINTS. THE PENNY JAR CHARITY WAS ALSO A SUCCESS, THE FUNDRAISER TOOK IN $307.45. THE FRESHMEN HAD $11.64 IN PENNIES, BUT LOST $23.30 IN BILLS AND COINS. THE SOPHOMORES WON THE COMPETITION WITH $43.39 MINUS $30.95 OR A NET OF PLUS 12.44. THE JUNIORS FINISHED THIRD WITH $71.32 MINUS $76.35 OR MINUS $5.03, WHILE THE SENIORS TOOK SECOND WITH $25.25 MINUS $24.25 OR PLUS 1.00.

Lip Sync — 1990

One of the premier activities of the Winter Carnival Week has always been the Lip Sync competition. This year, the event was held on Thursday evening, February 8 in the auditorium.

It's a change for Wachusett students to show they are in tune to the times. Media coverage was great. Not only did the Yearbook send its ace photographer to cover the events, but Wachusett Review put Jen Paul to work questioning the various acts. It was just like the American Music Awards (except there was no Slash!) or the Grammies.

You may not recognize some of these performers which means they were really into playing their role. It was a great evenings' entertainment!

The annual Volleyball Marathon at Wachusett took place this year on Friday and Saturday, March 16 and 17. The purpose of the event is for the Booster Club to raise funds. The money earned is used to help offset the costs of many of the activities enjoyed by the students. Sports, Student Council, the four classes, and even, the yearbook, are given support by this dedicated group of parents. Volleyball games are played non-stop from 3:00 p.m. Friday until 3:00 Saturday. Granted there are plenty of rest breaks and food breaks; but the games go on continuously all through the night. Even the faculty play! this year's goal was to exceed $11,000 in pledges — we hope they made it!

Friday evening, April 27, 1990 will be remembered by the Juniors for many years to come. The event was held at Mechanics Hall in Worcester. Juniors and dates dined buffet-style and danced to the music of a local disc jockey. Over 400 attended the event; some arrived in limosines or their parent's cars. The theme was "Wonderful Tonight," and most attending agreed it was a wonderful night!

The D.J. picked the queen and her court. Selected as the court were (at left, from left to right): Jen Hammerburg, Jennifer Gemme, Stephanie Lemon, Christi Pond, and Tina Hendrickson. From these five, the queen was chosen; and she was Jennifer Gemme.

All in all, the class will have to go far next year to top their Junior Prom.

Senior Zach Gold and Stephanie Lemon share a quiet moment together.

Senior Class Trip

Each year the Senior Class spends a day in the sun together to end their Senior year. At Wachusett, the site for this event has usually been the Frank Davis Resort in Connecticut. This year was no exception. As approximately 300 Seniors boarded the buses at school Friday morning, May 25 (before 7:00, no less); the mood was festive and relaxed — after all, finals were over — no more books and classes! The day is spent swimming, sailing, playing basketball and softball, eating, dancing, tug-of-warring, and eating some more. It was a great day to end a great four years. P.S. there were plenty of *splashes* poolside!

And who says this Senior Class has no strength?

Who's chasing this kid — or what, shall I say?

Here's a group enjoying a beautiful day in the sun.

These girls are certainly pulling their weight on the class trip.

The sack race is a popular event here at the Frank Davis Resort.

Tara and Mike smile for the camera.

Sunday's enjoying . . . the view.

The Big 5-0 enjoys a day off too!

I bet Japan doesn't have this!

Prom 1990

We're having a great time!

Hail, hail, the gang's all here!

I want to rock-n-roll all night!

What do we do now?

The last times together are the best times together.

I love this kid!

When does the food come?

Gotcha!

"In Your Eyes," the theme of this year's Senior Prom caught the mood of our class who were together for one of the last times of their high school years. The prom was held Saturday evening, May 26 at the Sheraton Hotel of Leominster; and there was a steady stream of limosines crusing the town that night. After dinner, music was provided by DJ Dave Wylie; and from these photos, you can see that a good time was had by all.

Notorious Cars of Wachusett

It was 7:00 Friday night in September when Jody left her house to brave the streets of Massachusetts for the first time with her new license. She headed off down the street to pick up Amy with total control over her '79 Chevy Stationwagon. While laughing and talking on their way to pick up Kim, Jody seemed to overlook a minor speed bump to Kim's house.

With only one person left to pick up, they drove off toward Holden, accidently running a "few" red lights (although Jody still insists they were yellow). When Amy was questioned on the whereabouts of Becky's house she replied, "I don't know, somewhere off Salisbury St., I thought you knew!" After discovering that none of them were bright enough to get directions, they drove around wasting gas and ended up at Honey Farms calling Becky. As it turned out, Becky had seen them pass her house and she had chased them down the street thinking they were leaving without her. Finally, with everyone in the car they were on their way to the drive-in in Lunenburg but here again they had foolishly neglected to get directions and had to stop at a liquor store (the only place open) to get them.

Arriving at the movies an hour late, they searched for a parking place and upon finding one they pulled in and parked (at least they thought they had). But when Jody took her foot off the brake, the car slowly but surely began to roll back. Trying her brake, only to find out it didn't work when the car wasn't on, she did the next best thing, slammed on the emergency brake. Embarrassed and laughing hysterically, Jody sat there refusing to move the car. When she turned on the light, they realized what was the matter, Jody had absent-mindedly put the car in neutral rather than park. After calming down, they saw that they had to move the car, so Jody reached down to release the emergency brake.

"*¢$*!*!, I popped the hood. Will someone get out and shut it?"

"I'm not going to shut it, you shut it" they argued between themselves and finally a brave Becky stepped forward, as Amy and Kim shrank down in their seats.

After figuring out it was possible to get sound with the movie, they all sat back and relaxed (all secretly happy they were alive and in one piece) wondering what was in store for them on the ride home.

The Kidnapping of . . .

It was Friday, April 6, 1990, when crime hit Wachusett. It was 11:00 A.M. and Mr. Lane was doing business as usual when he suddenly felt something in his back.

"Don't move and do exactly what I say," was the command.

What was happening? Mr. Lane did as he was told. Slowly he rose from his chair and was led outside. Who were these four people dressed in black with guns? And why are they taking me? Where are they taking me? These were the questions running through Mr. Lane's head.

The four people were Jen Paradis, Matt Conley, Patrick Coakley, and Chrissy Berlane. They had kidnapped Mr. Lane in order to take him to lunch at the Oxford. Rented limo and gun point had gotten Mr. Lane to the Oxford. Now, was it really a crime?

Mr. Lane!

The 1990 Mountaineer Yearbook Staff

Editor-In-Chief: Tammy Martin **(Right)**
Co-Editor-In-Chief: Keri Donaldson **(Far Right)**
Senior Section Co-Editors: Vaishali Patel
Beth Ann Sieminski
Faculty Section Editor: Lisa Curtis
Clubs/Organizations Section Editor: Amy Lowder
Athletics Section Editor: Alex Foster
Underclassmen Section Editor: Katelyn Guiney
Candids Section Co-Editors: Amy Hague
Amy Lowder
Photography Editor: Mike Harvey
Layout Editor: Becky George

Amy Hague, Candids Editor, always kept her sense of humor!

Lower Left: Mike Harvey, in front of the camera, instead of behind it!
Lower Right: "The Machine Men" are dedicated to keeping the cost of our yearbook low. You guys helped more than you know!

Many Seniors aided in the production of the book. Some typed (over Christmas vacation), some wrote, some did artwork, and some just filled in forms when they were supposed to. Thanks to all of the following; and we're sorry if we missed anyone. Typists: Amina Johnson, Cathy Gaw, Kristen Hanson, Sharon Fisher, Becky Place, Michelle Hart, Amy Dubovick, Maria Delsignore. Artists: Christy Scruton, Sharon Benedict, Nicole Desantis, Shelly Fortin, Sarah Carlson and Stacy Johns (Calligraphy). Other thanks go to Kim Jacques.

Tammy Martin, Editor-In-Chief, was always in control of the situation; she was totally dedicated!

Middle Left: Vaishali Patel helping at one of our two yearbook dances this year.
Middle Right: Kate Guiney gets to spend another year doing this job. Experienced help is always needed!

A Message From The Advisors:

This is the hardest part of the book to write because this is saying good-bye. Good-bye after one of the best years an advisor could have. As a staff, you have been exemplary in meeting the responsibilities of the tasks you elected to take on back in September (and for Keri, Kate and Mike in June). But, as people, you have been outstanding. It's hard to single out any of you because you all brought such a unique quality to what you did. Vaishali and Beth were quiet and organized. The Amys squared, who managed to find the humor in almost every situation. Lisa, who managed to compile more information on the faculty than had ever been attempted before. Alex, who managed to panic us before all of his sports deadlines. Yet, he always had them ready to go! Becky, you were there from start to finish, helping wherever you could — it did not go unnoticed. Mike, you were amazing; nothing seemed to bother you! Keri and Kate get to stay another year. You were such a valuable asset to this group and to me — wait until next year! And finally, Tammy! This book would not exist without you — you kept everything and everyone going (including we advisors). You were a terrific editor; and I, for one, am going to miss you alot. So kids, have a great life, stay in touch, and thank you for being my *"Splash of Color"* this year!

Chris Shack — Champion Skier

Chris Shack is a Senior at Wachusett, and will graduate with the class of 1990 in June. However, Chris has spent much time away from Wachusett; and the reason has been his participation in freestyle skiing competitions. He has been a Freestyle Ski Competitor since 1984 and has received many awards. He has competed at the Junior and Senior National levels. 1990 was his most outstanding competitive year. He ranked 5th in the East as a combined freestyle skier (all events included in ranking), 4th place Junior at Nationals in Ballet event and 20th in Aerials at U.S.A. competition. Chris spent his Freshman and Sophomore years at Wachusett. In his Junior year he attended Carrabassett Valley Academy Ski School in Carrabassett Valley, Maine. For his Senior year, he attended Wachusett until November and returned in April. During the competition season, he was at CVA in Carrabassett Valley. The photos on this page show Chris doing a maneuver in each of the three events in Freestyle Skiing — Ballet, Aerials and Moguls.

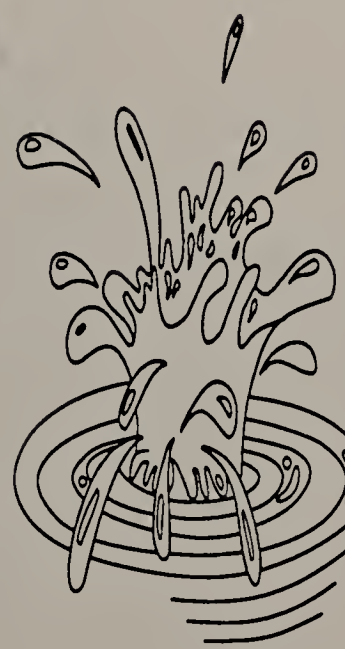
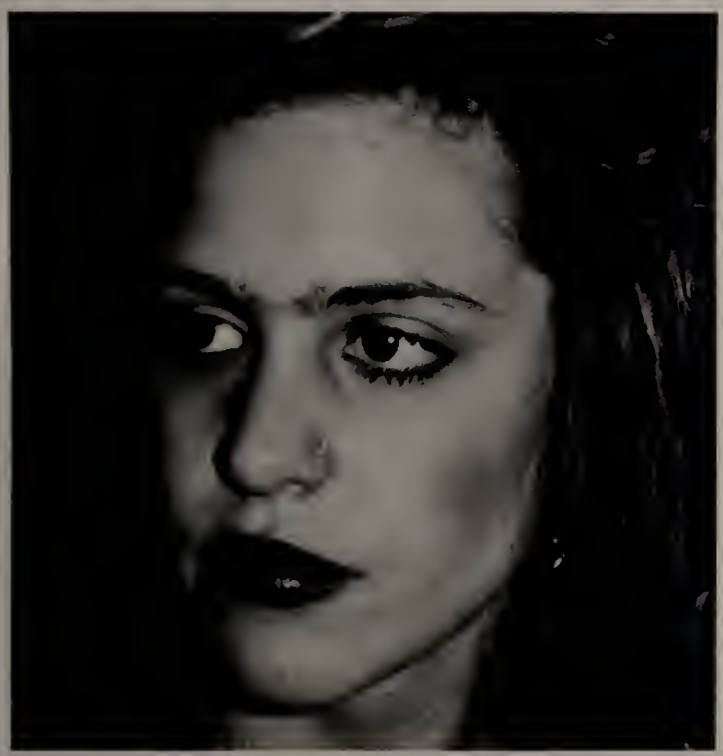
Look at all these *sad* faces

Huh — It's over?

Sad? Who's sad? Not us!





Don't leave me!

I think I'm going to cry!

GOOD-BYE • GOOD-BYE • GOOD-BYE • GOOD-BYE

A Splash of Color

GOOD-BYE • GOOD-BYE • GOOD-BYE

The class of 1990 is leaving W.R.H.S. with a big splash. We've made our way through the homecomings, beginning with *Alice in Wonderland* and ending with *China*. We've survived through volleyball marathons and motivation movies. We've participated in Winter Carnival events such as the weenie dunk, pie eating contest, and the tricycle races. We've pulled together through the bad, sharing our tears. Tears of joy and tears of sorrow. For four years we've been together and now it's time to say good-bye. Whatever we do, wherever we go, however we get there whether it be by bus, car, running, or slowly walking, our high school memories will follow us. On graduation, we may say good-bye to friends and teachers, sit back and watch four years go up in smoke, but we will never say good-bye to our memories. Look out world, the class of 1990 is not only going to cause a splash, but an eruption!

THANKS

Without the help of many people, this book would not have come into being. We would like to recognize the following for their contributions to "Mountaineer, 1990"!

Arnie Lohmann, our representative from Hunter Publishing, for his help and advice, especially around deadlines.

Kenneth Parker, of *Photography By Kenneth Parker*, for the photography services provided by his company to the yearbook. He is responsible for the majority of the photos in the Senior, Faculty, Clubs and Organizations, Athletics, and Underclassmen sections of the book; as well as the photography for major school events.

Thanks also to Paul and Elizabeth at *Photography By Kenneth Parker*, for their help, especially in organizing the Senior section of formals.

Thank you to Mrs. Laramee, our Business Advisor, for helping us to raise money to publish this book. Your help in chaperoning dances, emptying the soda machines, and writing letters is much appreciated.

Thank you to faculty members that chaperoned dances (Mrs. Kathman, Dr. Yaglou, Mr. Caouette), filled in countless information forms, and understood when we came late to class or left early in the name of yearbook!

Thank you to Mrs. Wilcox for the color photos of our Sophomore Class Trip, and Freshman year Homecoming. As you can see, we used them!

And last, but not least, we salute the "Machine Men!" Through the efforts of these students, coordinated by Mr. Greg Smith of the Special Ed department; we could keep the soda machines filled and maintained which provided us with a valuable source of income. Thanks to Bill Drake, Dan Hatlee, John McCormick, Jim Regan, David Rudner, and Stephan Rugg.

Colophon

The *Mountaineer* is an annual publication by the Yearbook Staff of Wachusett Regional High School, Holden, Massachusetts 01520. Wachusett's region is comprised of the towns of Holden, Paxton, Princeton, Rutland, and Sterling. The book was distributed at the Senior Barbecue on Sunday, August 19, 1990.

The *Mountaineer* was printed by Hunter Printing and Publishing, A Division of Josten's. The printing plant is located in Winston-Salem, North Carolina. The press run was 500 copies. The staff was assisted in design of the cover, endsheets, opening, and division pages by the Creative Resources Department and artist, Kris Keller. The Creative Resources Department is located in State College, Pennsylvania.

Our cover is Design #578 which was customized with our theme logo *A Splash of Color*. It comes from the Styleline Embossed Grained Coverline with design, title, and spine done in a silkscreen process. The trimsize is 8½ by 11; and is smythe-bound. It is wrapped around 120-point binder's board. The lettering on the cover is style #161 (Avant Book) and is printed in 48-point. The color of the cover is #766 (Green) with an applied color of #374 (Beige).

The endsheets of the book have two separate designs for front and back. Both are printed on #280 paper (White). A 4-color photo was printed on the frontsheet. A spattering effect was achieved on both endsheets by printing PMS #343 (Green) and black inks in the design indicated.

The paper used throughout the book was 80-pound matte, printed with standard black ink. 248 pages of the book were printed in black and white. 8 pages were printed using the 4-color process; and 19 were printed using a spot color of PMS #343 (Green). Artwork was finished by Hunter Publishing, the originals were supplied by students. Three different type styles were used in the book. #141 (Palatino), #142 (Palatino Bold), and #143 *(Palatino Italic)*.

The approximate cost of printing this book is $22,500.00. This figure includes publishing costs, freight charges, shipping of materials to North Carolina, photography expenses of candids, and other supplies. The cost per copy of the book is $25.00 payable in advance. Other monies are raised through an assessment to the class of 1990, a donation from the Booster Club, the sponsoring of two all-school dances, a parent patron and sponsor solicitation, and the maintenance of three soda machines in the school. The *Mountaineer* is a self-supporting publication.

Candid photos were taken by student photographers. Senior portraits were taken by *Photography By Kenneth Parker*, the designated yearbook photographer. Other professional photographers also did portraits. Athletics (both team and candids), faculty formals, clubs and organizations, underclassmen (group photos), and other major school events were photographed at no charge by *Photography By Kenneth Parker*.
